

FREE Mental Health Services through Telehealth for Individuals Impacted by COVID-19

IMPOWER is now offering no cost mental health services statewide through Telehealth to children and adults who have been impacted by COVID19.

To qualify for no cost services individuals must be uninsured, underinsured, be at 150% of the Federal Poverty Level and have been directly impacted by COVID-19 (coronavirus).

What is Telehealth?

Telehealth is a way to receive quality substance abuse services remotely. Delivered through a secure, private and live video connection, appointments with one of our practitioners are available via smartphone, tablet, or computer that has video conference capabilities.

Benefits of Telehealth

- ❖ Flexible schedule/evening appointments
- ❖ Decreases wait times
- ❖ Reduces travel time and costs
- ❖ Decreases missed school or work
- ❖ Increases the number of practitioners you can choose
- ❖ Increases privacy
- ❖ Decreases stigma

Available Services

Outpatient Mental Health and Substance Abuse Assessment & Counseling

Treatment for individuals who are experiencing mental health and/or substance abuse issues. Counseling services are provided by Licensed Clinician's or Master's-level Clinicians under the supervision of a Licensed Clinician.

Psychiatric Clinics & Medication Management

Our Psychiatric teams offer care, evaluation, treatment, and medication management provided by Board Certified Psychiatrists and Physician Assistants.

Case Management & Medication Assistance

Assistance with services that are essential to meeting basic human needs, coordination & linkage to needed services and medication assistance.
