Sample Email for Hosts to Invite Participants

Hi [NAME],

I'm excited to share that on Thursday, October 14, I will be hosting a conversation as part of Table Talk, an initiative of the Central Florida Foundation, and I'd like to invite you to join me.

We will meet **IN-PERSON** or **VIRTUALLY** at **LOCATION** on **DATE** at **TIME**. **Provide any additional details for the gathering here.**

Table Talk is a candid conversation taking place in small groups all across Central Florida on October 14. We get ideas flowing about all the different ways – big and small – each of us can make Central Florida a better place. We'll encourage each other, create connections and build community. **It doesn't stop with Table Talk, but rather begins.**

During our time, we will talk about these three questions:

1. What do you like best about your community?

2. What could change for the better? Think of one big change and one small change.
3. How could you personally contribute to that change?

Then, we will each complete an anonymous, online survey to share our thoughts and feedback from the conversations. You can even apply for a micro-grant of up to \$1,000 to bring an idea to life that will help improve the community. Since 2019, participants have started podcasts, launched cooking classes, helped support trauma survivors and more. Your idea could be next!

I hope you'll make plans to join me. Learn more and sign up at <http://cffound.org/tabletalk>.

Sincerely,
[HOST NAME]
