CENTRAL FLORIDA FOUNDATION

BUILDING COMMUNITY BY BUILDING PHILANTHROPY

In 1994, ten visionary thinkers gathered around a table to discuss a simple question: how can we really change Central Florida for the better?

The answer was to join forces not just with their dollars, but with the full power of their vision, passion and community connection. Only then, could they drive deep and lasting social change. This partnership evolved into the Central Florida Foundation.

As the region's community foundation, Central Florida Foundation stewards philanthropic dollars on behalf of multiple individuals, families and nonprofits to drive true community change. These fundholders care about making a real difference in our community. And they know real change demands more than dollars and cents.

*Real change requires your
head, heart, and wallet.*
