

100 WOMEN STRONG

empowering women and children since 2006

We're Central Florida's **only** philanthropic organization based on female leadership, collective giving and strategic grantmaking.

Female LED

100 Women Strong's leadership is entirely women-led, including our Central Florida Foundation advisor, offering our giving circle a unique approach to supporting women and children in the region.

Strategic INVESTMENT

Our giving circle engages in research and education to truly understand the focus issue and the innovative nonprofits with promising solutions.

Collective IMPACT

Our Mission

To improve the lives of women and children through collective giving and collaborative grantmaking and to inspire women in Central Florida to be strategic philanthropists.
