

Hi friends,

Whether you've attended one of our breakfasts, joined us at Elevate Summit, or are simply curious about 100 Women Strong, we're so glad you're here. Each month, we'll share a few updates, upcoming opportunities to connect, and a glimpse into what makes this community of women so special.

Here's a quick roundup from us:

- **We've narrowed it down to two!** Earlier this summer, 100 Women Strong members came together to learn about four impact areas that we could choose to focus on for our next 3-year cycle. The top two impact areas voted on by attendees were education and economic stability. Next, our full membership will be asked to vote on which they'd like to focus on. More to come!
- **Join us for coffee this summer.** ☕ We host Members & Friends breakfasts in Winter Park on the last Friday of every month. These casual get-togethers are for members and guests who are interesting in becoming members of our giving circle. RSVP [here!](#)
- **Our annual Meet the Experts event will take place next month for members!** Coordinated by our incredible Research and Grants team, five experts are coming together to share their perspectives and answer questions on our 2027 grant focus: access to healthcare. We look forward to this educational opportunity for our members every year!

We hope you've found time for relaxation, reflection, and connection this summer. We are so grateful that you are here!

Warmly,
The 100 Women Strong Team

We had such a fun night together on the pickleball courts earlier this month! 🥒🍓

What a great way to fill our cups midweek with fellow members and our guests who wanted to check out what we're all about!

(Community is the answer. 🥰)

Thank you to our member, **Susan Myers**, for putting this meet-up together! 💜
